MANUFACTUREDECLARATION UNDER 37 C.F.R. § 1.132Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

I, Robert Anders declare and say as follows:

1. I am a named inventor of the subject matter claimed in the above-identified U.S. Patent Application Serial No. 10/777,547, filed February 12, 2004 (herein "Present Anders Application").

2. I also am the sole inventor of the subject matter disclosed in Anders (U.S. PG Publication 2005/0033207 A1) (herein "Anders Reference"), published February 10, 2005.

3. Any subject matter that is disclosed in the Anders Reference and claimed in the Present Anders Application but not claimed in the Anders Reference was derived by me.

4. The subject matter that is disclosed in the Anders Reference and the claimed invention were commonly owned or subject to common assignment to 3FI Products at the time of invention of the claimed matter in the Present Anders Application, as evidenced by Assignments filed with the U.S. Patent and Trademark Office for both applications.

5. I further declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
